

Farm Field Day Evaluation

Dear Participant,

On behalf of Utah State University Extension, the Utah Farm Bureau, the Utah Association of Conservation Districts, and all the other agricultural groups involved, we want to thank you for your participation in our Farm Field Day. We plan to continue this activity on an annual basis. We want the field day to be fun for students, useful to teachers and informative for all. Please help us by taking a few moments to share your views and suggestions.

1. In what ways did the Farm Field Day meet your expectations?

2. Please identify ways that we could make the activity more useful to you and your class.
